FINAL STATEMENT

OF

George Heiss, Private

17th Reg't of Missouri Infty,

VOLUNTEERS.

Died June 18, 1864 at Cpt

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Subsistence Department must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise they cannot be collected from the United States.

NOTE 7.—This [illegible] will be used for deceased Volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

FINAL STATEMENT

OF

Sergeant Thomas Hoyle.

17th Reg't of Missouri Vol Inf

VOLUNTEERS.

Died May 28 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Government must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

This paper was found in the files of the Provost Marshal General's Office when transferred from the Chief Mustering Officer of Missouri.

War Department,

Adjutant General's Office,

Washington, July 17, 1865.

Sir:

In reply to your letter requesting a Descriptive List of Christ Lautzmann, a Private in Company G, 17 Regiment Missouri Infty Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT. DESCRIPTION, &c.

Christian Lautzmann, a Private in Company G, 17 Regiment of Missouri Infty Volunteers, is ____ years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 25 day of September, 1861, at the town of St Louis in the State of Mo by Capt Wittelin, and mustered into the service of the United States on the 26 day of September, 1861, at the town of St Louis, in the State of Mo, by Capt Saucy, to serve for the period of three years or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company ~~for the months of~~ dated Sept 27, 1864 that he was last paid by Paymaster Maj Cannaday to the 31 day of Dec, 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

Muster on Rolls dated Sept 27, 1864 He is reported Confined Aug 10, 1864, Ft Mc Allister Ga Inbattle in the line of his duty Clothing drawn since Aug 31, 1863. $36.18.

Very respectfully,

Your obedient servant,

Thos. Pugh

Assistant Adjutant General.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

This is to certify that M. A. Jacobi joined the 17th Reg. Mo. Vol. on the 6th day of Sept. 1861, was sworn in and appointed as 2nd Lieutenant on the 11th day of Sept. 1861, and detached for Recruiting Service in the City of Cincinnati and State of Ohio general by. That he discharged the duties devolving upon said Office from the 11th day of Sept. up to the 22nd day of Octr. 1861, when he was ordered to join his Regiment which, although not complete, had in the mean-time been ordered into the field by Major General Fremont. That said Jacobi, in compliance with said order issued by the Commanding Officer of his Regiment, proceeded to St. Louis and from thence to Sedalia; which latter place he left on the 2nd day of Novbr 1861, together with a detachment belonging to the 17th Reg. Mo. Vol. and conducting a Train consisting of ammunition and equipments for said Reg. That they proceeded on their march up to the 10th day of Novbr. 1861, two miles beyond Bolivar, when they were met by Major General Hunter, then on his way to Sedalia, and ordered back to Warsaw, where he would leave written instructions for them. That, when reaching said Station, they found such instructions ordering them to proceed, without delay, to Sedalia, and from thence to St. Louis, there to join their Reg. which was to march to said place by way of Rolla. That thus the said Jacobi was prevented from joining his Reg. which was afterwards ordered to remain in Camp near Rolla, before the 28th day of Novbr. 1861. That under these circumstances, his place as 2nd Lieut. in Comp: K having, in the mean-time, been filled by another Officer, it was impossible to place said Jacobi's name on the Muster-and Pay-Roll of said 17th Reg. Mo. Vol. before the 24th day of Decbr 1861, depriving him, thereby, of his pay as 2nd Lieut. from the 11th day of Sept. 1861 up to the 24th day of Decbr. 1861, to which

as an Officer who had all that time been in active Service and had been recognized as such, he was and still is unquestionably entitled. And to enable said Jacobi to obtain his pay as 2nd Lieut, this Certificate is issued to him to show that he has really been in active Service, ever since the 11th day of Sept 1861.

To his Excellency Major General Halleck
Commanding the Department of the Missouri.

Sir!

Having been informed that all claims for services in Missouri under Major General Fremont were to be submitted directly to the War Department at Washington for final settlement, I caused the enclosed Statement of Services rendered by me within the time therein specified to be presented to Brig Master General Thomas at Washington by the Hon. John A. Gurley. The same was however returned to the last named Gentleman together with the enclosed instructions directing my claim to be submitted to your Excellency. Now in accordance with this direction I beg leave herewith to submit to your Excellency's kindly consideration the said Statement of services rendered by me in Missouri which as you will perceive has already been endorsed by the Officer commanding the 4th Reg. Mo. Vol. by Col. Christian commanding 2nd Brig. and by Brig. Genl F. Sigel they knowing all the facts set forth by me in the said document to be true and correct. In thus submitting my case to your decision I trust you will not by withholding your endorsement from the claim destroy the last hope of a man who feels conscious of having served his country faithfully and to the best of his ability; and who in discharging the duties devolving upon his office, contracted the disease which compelled him to resign his place on the 14th day of January 1862, and which he is still suffering from. In conclusion allow me to remark that any further information you may desire in re-

18

gard to my service as an Officer of the 17th Reg. Mo. Vol., from the 11th day of Sept. ult. to the 25 Dec. 1861, will be readily given by Gen. Brig. Col. Hassendeubel and others who have known me for a long time.

Hoping that your Excellency will dispose of my case as soon as circumstances will permit. I have the honor to remain

(See Report of Dep. Pay M. Eml Andrews to Earl Hallock, in this case, dated 23d December 1862.)

Report of Lieut. A.W. Earl Andrews
& Major Earl Ballock coming on the
claim of M. A. Jacobi

Capt. N. N. M'Lean
Asst. Genl U. S. Army,

Sir,

The claim of M. A. Jacobi is for pay
as a 2nd Lieut. of Company "A", 17 Miss. Volunteers,
from the 11th day of September to the 25 of December 1861,
and is made subject to the decision of the coming Council:

On the Muster & Pay Rolls of the com-
pany, from commencement of its service to the 31st of October
he is not mentioned as belonging to it, in any capacity:
on the contrary Julius Muller is regularly mustered
in it as its 2nd Lieut., (it was entitled to but one) from
from its formation to 31 of October: (W.W. Wilson a/c's)

On the Muster Pay Rolls of the
Company for November & December Jacobi is mustered
as 2nd Lieutenant (as enlisted by Col. Hasendubel,
on the 23rd August 1861 at St Louis) and as "on D.
Masters business in St Louis" 31 Dec 1861. It does
not state how long he had been a 2nd Lieut, but the

by the promotion of Lieut. Muller from 2nd to 1st
Lieut. which is stated to be on the 24th December 1861;
which forms the contents of the certificate of Lt Hanmendubel &c.
On the 16th of February he was
paid, one, by Major Cunningham, on his resignation,
which took place 18th (and 14 as he states) of January.
and on a certificate (of which the enclosed is a
copy.) of his Hanmendubel, his Colonel, that
he served in the capacity of 2nd Lieutenant from
the 24th of December to the 22 of January 1862:
and on his own application & affidavit: at the
time of this payment he preferred no such claim
as now presented: (His commission bore date 24 December)
It does appear that the certi-
cate of his Colonel, (who the Muster Roll states
enlisted him,) as well as the Muster Roll of his
company contradict, not only his own statements,
but the certificate he adduces purporting to be
by Lieut. Colonel Cramer, & the endorsements
of Lieut Osterhaus comdg Brigade & Lieut Engl
comdg, who from their official positions are pre-
sumed not to have the same exact knowledge of
his case as that possessed by his Captain &

Colonel; on whose last certificate he was paid as in full, & on his own affidavit; he making no such claim, at the time of payment, as the present.

I would take the liberty of suggesting that in all such claims to be decided on by the Envoy, if a claim is refused, the original papers presented be not given back to the claimant. In several cases, recently, where claims have been once denied, they are again presented, & passed, with new papers, and the old ones suppressed & withheld.

Respectfully submitted

J. P. Andrews
Asst. Pay Mr. Genl
U. S. Army.

St. Louis Mo.

Note: It will be seen that if Jacobi's claim were paid that two 2nd Lieutenants would be paid, to a company of Infantry barely entitled, by the minimum number, to but one.

"He is not a fit person for the Veteran Reserve Corps."

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for pension, *special* care must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates *direct* to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.
